

Directions from **Dole-Pineapple-Pavilion** on Hwy 99 to Dillingham Airfield

HONOLULU SOARING
www.honolulusoaring.com

The *overview* of these directions is:
Hwy 99 (Kamehameha Hwy) to Hwy 930 to Waialua/Mokuleia (Dillingham Airfield)
Approximate drive-time = 20 minutes

Get on Kamehameha Hwy (Hwy 99) (TURN RIGHT out of the 'Dole' parking lot)

You will travel a distance of 5 miles to get to the Traffic Circle at Haleiwa

A series of road signs announce the town of HALEIWA ahead,
at the base of a 2-mile-long down-hill grade .

At the base of the down-hill is a traffic light with a left-hand turn lane,
which brings you into the Haleiwa TRAFFIC CIRCLE (counter-clock-wise traffic) .

HUG THE CIRCLE .

One of the exits out of the traffic-circle indicates destination MOKULEIA / Hwy 930
That's the direction you want. You are now on the start of Hwy 930 .

ABOUT 1-MILE-DOWN-THE-ROAD FROM THE TRAFFIC CIRCLE is an INTERSECTION **4-WAY STOP**, red blinker-light;
This is the intersection of Hwy 803 and Hwy 930 .

TURN RIGHT after stopping at that intersection.

You are now continuing on Hwy 930 .

Just for your information, Hwy 930 starts at
the TRAFFIC-CIRCLE at Haleiwa), and makes a 90-degree turn (to the West)
at the blinker-light INTERSECTION, and continues out towards
Dillingham Airfield and Kaena Point .

FROM THE BLINKER-LIGHT INTERSECTION, *AFTER MAKING THE RIGHT-HAND TURN*, continue ahead for about 1 mile.

You will see a ROAD-SIGN for
MOKULEIA, and **DILLINGHAM AIRFIELD**.

These signs point towards the underpass of a bridge; ... go under the bridge.

You are still on Hwy 930 (Farrington Hwy), ...continue ...

A half-block beyond the bridge, and on your left, is Waialua Intermediate & High School .

Continue about another 5 miles to the Airfield .

Dillingham Airfield is a 2-mile-long airstrip, parallel to the highway, with a green chain-link perimeter fence-line.
There are 3 entrances to the Airfield. Entrance #1 is for the SKYDIVE activities (and the interior service-road for the
airfield). Entrance #2 is 1.5 miles further, and THAT is the Glider-port entrance.

As you enter the GLIDER-PORT parking lot, there is an OPEN-SIDED SHELTER-BUILDING
straight-ahead. This is the RECEPTION area. Ask for **Honolulu Soaring** /
The Original Glider Rides, and **check in with "Mr. Bill"**.
